### PROFILE

An internationally recognised instructor and a graduate of the National Circus School in Montreal. Justin is committed to excellence in the instruction of the art cyr wheel.

Justin has been instructing circus for 3 years and his methods have yielded many positive experiences. Able to identify and correct key mistakes in technique, and keen to help develop his students sense of style and flair, Justin demonstrates an outstanding intuition and multi-angled approach to teaching, and has proven his ability to develop his students to the level of greatness.
